Editor's *Note*

Issue 03 opens with a structural change rather than a roster change. The **Dogma** book (BOG) is now declared **buy-only** — no positions will be sold from it; future cash adds to existing names or opens new long-term ones. A second book, the **Active Desk** at TBC, opens today with a single conviction trade in **MSTR**, sized at the full \$268.75 deposit.

Two books, two rules. Dogma compounds in silence; the Active Desk runs hot. Real return on Dogma now sits at +21.64% — a five-month high.
